- **Wage and Hours of Work**
- **Safety and Health Standards**
- **Health Benefits and Retirement Standards**
- **Other Workplace Standards (e.g., Family and Medical Leave, Plant Closings and Uniformed Service Members)**
- **Work Authorization for Non-U.S. Citizens**
- **Federal Contracts: Wages, Hours of Work and Fringe Benefits**
- **Rules Concerning the Agriculture, Mining, Construction and Transportation Industries**

Each chapter also provides the name and telephone number of the DOL agency that administers the laws and regulations addressed in that chapter.
